1. Introduction

This document presents the document coverage of das-OCR and IDentidas services provided by Veridas. Veridas covers 126 countries with 215 different documents and a global coverage of the Passports.

To better understanding the following sections, it is important to consider the following information.

- ID: It refers to an Identity Card.
- RP: It refers to a Resident Permit Card.
- DL: It refers to a Driving Licence Card.

The number specified for each document indicates the year in which the document began to be issued.

The last section presents the current Veridas roadmap for document coverage. This roadmap could be changed. Please, inform Veridas sales team if you are interested in a specific document or in the coverage of a country
